

EMMA^{Asia} 2014

BRANDENBURG
UNIVERSITY OF TECHNOLOGY
COTTBUS, GERMANY
MEETING SEPTEMBER 2014

ATTRACT TARGET GROUPS: 3

- EUROPEAN PARTNER UNIS LIST OF SPECIALIZATIONS
- CHECK NGO'S AND GOVERNMENTAL ORGANISATIONS WITHIN THESE SPECIAL FIELDS

- ASIAN PARTNER UNIS LIST OF MAIN PROGRAMMES
- CHECK NGO'S THAT ARE ACTIVE WITHIN THE ASIAN PARTNER COUNTRY

An EXAMPLE:

TU DELFT specialisations in Civil Engineering:

- **Coastal Engineering:** protection of coast
- **Water Resource Management:** drinking water
- Which ngo's, non-profit, governmental organisations are working in these fields in Myanmar and Vietnam?
- These two countries have already strong connections in regard water – a strength and specialisation of the Dutch, and the TU Delft!
- bringing the best possibilities together

Myanmar

- ✓ partnership in the field of water management, realising a sustainable water system in Myanmar
- ✓ a master plan for safety against high water along the rivers, for example at Bajan
- ✓ rehabilitation and conservation of mangroves
- ✓ Resources
 - CDN-Consortium of Dutch NGO's, Mayangone Township, Yangon

Vietnam

- Yet to be compiled

All Partners

To Do

- Compile a list of your focus curricula
- Compile a list of NGO's in your country
- Suggestions of possible combinations

You can send to

- Mariette (TU Delft)

&

- Dina (SRU)
