The target beneficiaries of EMMA E14 are:

- **Target 1:** Students and academic staff registered in one of the universities members of the partnership [TG1]
- **Target 2:** nationals of one of the countries of the partnership registered at a Higher Education Institution NOT included in the partnership or having obtained a degree or equivalent from an Institution in their country (which may be a partner or not). This includes the possibility of providing mobility opportunities to nationals of the countries of the partnership who are **working in public administration and public and private enterprises**. [TG2]
- **Target 3:** Asians of the countries of the partnership in vulnerable situations [TG3]. It may cover mobility for students holding the respective nationality and:
  - Having a refugee status or asylum beneficiaries (international or according to the national legislation of one of the European recipient countries), or
  - Being able to prove that they have been the object of unjustified expulsion from university on racial, ethnic, religious, political, gender or sexual inclination reasons, or
  - Belonging to an indigenous population targeted by a specific national policy.
